

OTHER HAZARDS - DISTRICT 6

STATE PLAN

Goal 8: Encourage mitigation of potentially devastating but historically less frequent hazards.

Objective 8.1: Identify and reduce potential losses from landslides and avalanches.

Objective 8.2: Mitigate spills of hazardous materials from fixed and mobile sources.

Objective 8.3: Prevent acts of terrorism, violence, and civil unrest.

COUNTY	HAZARD	MITIGATION PROJECT	PRIORITY
Daniels	Hazardous Material Incident	Relocate anhydrous ammonia tank currently adjacent to town of Scobey.	M
Daniels	Hazardous Material Incident	Provide awareness training on meth-labs.	M
Daniels	Hazardous Material Incident	Secure fertilizer and propane plants to reduce unauthorized access.	M
Fergus	Severe Thunderstorms, Hail, Wind, Tornadoes	Encourage development and enforcement of wind-resistant building sites and construction codes in Growth Plans and Subdivision Regulations in new and existing buildings and infrastructure.	NA
Fergus	Severe Thunderstorms, Hail, Wind, Tornadoes	Enhance strategies for debris management for severe summer storm events.	NA
Fergus	Terrorism and Violence	Encourage interaction with Malmstrom Air Force Base to mitigate the possibility of nuclear weapons in transport and missile site events/activities involving transportation and missile sites.	H
Fergus	Terrorism and Violence	Encourage local governments, citizens and businesses to pursue Terrorism Awareness and Homeland Security Training that enhance overall capabilities and self-preparedness.	H
Fergus	Terrorism and Violence	Identify and pursue funding opportunities to mitigation Fergus County's terrorism program.	H
Fergus	Terrorism and Violence	Assess and develop terrorism responses capabilities necessary to support Fergus County, mutual aid to support other counties, the state and our nation.	H

OTHER HAZARDS - DISTRICT 6

STATE PLAN

Goal 8: Encourage mitigation of potentially devastating but historically less frequent hazards.

Objective 8.1: Identify and reduce potential losses from landslides and avalanches.

Objective 8.2: Mitigate spills of hazardous materials from fixed and mobile sources.

Objective 8.3: Prevent acts of terrorism, violence, and civil unrest.

COUNTY	HAZARD	MITIGATION PROJECT	PRIORITY
Fergus	Terrorism and Violence	Encourage the implementation of NIMS throughout the county.	H
Fergus	Terrorism and Violence	Encourage Malmstrom Air Force Base to have a representative as a Local Emergency Planning Committee member.	H
Fort Belknap Reservation	Hazardous Material Incident	Provide training to emergency responders on how to deal with methamphetamine labs.	M
Fort Belknap Reservation	Hazardous Material Incident	Improve mapping of hazardous materials fixed site locations and common transportation routes.	M
Fort Belknap Reservation	Hazardous Material Incident	Develop an emergency transportation plan that considers key roadways and intersections.	M
Fort Belknap Reservation	Severe Thunderstorms, Hail, Wind, Tornadoes	Obtain shatterproof film for windows at critical facilities.	H
Fort Peck Reservation	Hazardous Material Incident	Relocate anhydrous ammonia tank adjacent to Wolf Point city limits.	H
Fort Peck Reservation	Terrorism and Violence	Install fencing and alarm system at water treatment plant and water supply wells.	M
Judith Basin	Hazardous Material Incident	Develop an emergency transportation plan that considers key roadways and intersections.	M
Judith Basin	Hazardous Material Incident	Improve mapping of hazardous materials fixed site locations and common transportation routes.	M
Judith Basin	Hazardous Material Incident	Install a railroad crossing gate and lights at the Geyser intersection.	M

OTHER HAZARDS - DISTRICT 6

STATE PLAN

Goal 8: Encourage mitigation of potentially devastating but historically less frequent hazards.

Objective 8.1: Identify and reduce potential losses from landslides and avalanches.

Objective 8.2: Mitigate spills of hazardous materials from fixed and mobile sources.

Objective 8.3: Prevent acts of terrorism, violence, and civil unrest.

COUNTY	HAZARD	MITIGATION PROJECT	PRIORITY
Judith Basin	Severe Thunderstorms, Hail, Wind, Tornadoes	Structurally analyze all buildings or rooms identified as shelters and strengthen as necessary.	M
Judith Basin	Severe Thunderstorms, Hail, Wind, Tornadoes	Install protective film on windows at critical facilities to prevent shattering of glass.	H
Petroleum	Hazardous Material Incident	GPI hazmat sites.	L
Petroleum	Hazardous Material Incident	Public education.	M
Petroleum	Hazardous Material Incident	Training in HazMat procedures.	H
Petroleum	Hazardous Material Incident	Adequate equipment for HazMat response.	M
Petroleum	Hazardous Material Incident	Training in MSDS.	H
Petroleum	Severe Thunderstorms, Hail, Wind, Tornadoes	Enhance strategies for debris management.	H
Petroleum	Severe Thunderstorms, Hail, Wind, Tornadoes	Develop program to keep trees trimmed.	M

OTHER HAZARDS - DISTRICT 6

STATE PLAN

Goal 8: Encourage mitigation of potentially devastating but historically less frequent hazards.

Objective 8.1: Identify and reduce potential losses from landslides and avalanches.

Objective 8.2: Mitigate spills of hazardous materials from fixed and mobile sources.

Objective 8.3: Prevent acts of terrorism, violence, and civil unrest.

COUNTY	HAZARD	MITIGATION PROJECT	PRIORITY
Petroleum	Severe Thunderstorms, Hail, Wind, Tornadoes	Develop plans to attain outstation and air strip rescue.	M
Petroleum	Severe Thunderstorms, Hail, Wind, Tornadoes	Support and encourage elect. utilities to use underground utilities.	M
Roosevelt	Hazardous Material Incident	Relocate hazardous materials storage facilities currently adjacent to city limits.	H
Roosevelt	Terrorism and Violence	Install fencing and alarm system at water treatment plant and water supply wells.	M
Roosevelt	Terrorism and Violence	Purchase equipment for emergency response agencies to respond to chemical, biological and terrorist incidents.	M
Sheridan	Hazardous Material Incident	Provide awareness training on meth labs.	M
Sheridan	Hazardous Material Incident	Enforce proper placarding of haz-mat loads crossing into US from Canada.	M
Sheridan	Hazardous Material Incident	Review Plentywood city ordinances regarding haz-mat truck traffic through town.	H
Sheridan	Hazardous Material Incident	Anchor and block up fuel and propane tanks in outlying towns.	M
Sheridan	Hazardous Material Incident	Move propane tank in Westby currently located adjacent to railroad tracks.	M

OTHER HAZARDS - DISTRICT 6

STATE PLAN

Goal 8: Encourage mitigation of potentially devastating but historically less frequent hazards.

Objective 8.1: Identify and reduce potential losses from landslides and avalanches.

Objective 8.2: Mitigate spills of hazardous materials from fixed and mobile sources.

Objective 8.3: Prevent acts of terrorism, violence, and civil unrest.

COUNTY	HAZARD	MITIGATION PROJECT	PRIORITY
Sheridan	Hazardous Material Incident	Install pylons along highway adjacent to anhydrous ammonia tanks.	M
Sheridan	Hazardous Material Incident	Construct bypass for haz-mat truck traffic to avoid Plentywood business district.	M
Sheridan	Terrorism and Violence	Install fencing and alarm system at water treatment plant and water supply wells.	M
Valley	Hazardous Material Incident	Provide awareness training on meth labs.	M
Valley	Hazardous Material Incident	Enhance railroad chemical spill mitigation.	H
Valley	Hazardous Material Incident	Network with Corps of Engineers and WAPA on haz-mat preparedness planning.	M
Valley	Hazardous Material Incident	Provide training and software on hazardous materials to emergency managers.	M
Valley	Hazardous Material Incident	Secure bulk petroleum, propane, and anhydrous ammonia tanks with fencing.	H
Valley	Severe Thunderstorms, Hail, Wind, Tornadoes	Install web-cam on face of Fort Peck dam to enhance high wind advisory system.	M
Valley	Terrorism and Violence	Install fencing and alarm system at water treatment plant and water supply wells.	M
